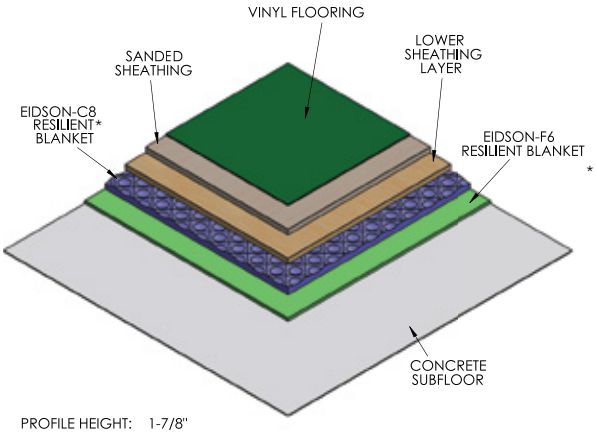
Performance Elevated

PRO FORMA™ II

Connor Dance Pro Forma™ II is a sprung dance floor built for consistent performance throughout the dance studio. It provides uniform shock absorption, sustains high point and area loads, and delivers strong energy restitution that gives back to performers as they move. Paired with Connor Dance Vinyl, Pro Forma II offers a responsive surface for a range of dance disciplines.

MADE WITH NIKE GRIND

Connor Dance Pro Forma II is available to be made with Nike Grind



PROFILE HEIGHT: 1-7/8"

**Pro Forma II resilient blanket is made with at least 20% Nike Grind laminated PU foam*

For optimal safety and performance, install with a Connor Sport Dance Vinyl. For most updated specification, installation, and product detail, visit connorsports.com.

"Dance is an endless commitment to preparation, to practice, to passion. The floor must commit to support and strengthen the dancer as much as the dancer commits to their art."

— Benjamin Millepied, L.A. Dance Project
