QUICK LOCK™
PORTABLE WOOD FLOORING SYSTEMS

QUICKLOCK™

CONNOR QUICKLOCK™ THE PORTABLE SYSTEM THAT PLAYS LIKE A PERMANENT FLOOR

QuickLock portable floor systems provide easy alignment and quick assembly and are perfect for multi-purpose arenas that house everything from hoops to hockey. QuickLock is the official floor of the NCAA® Final Four® basketball tournaments.

QUICKLOCK™ PORTABLE SYSTEM'S UNIQUE FEATURES

Each panel is built using laminated double sleepers, a plywood subfloor, picture frame construction, and anchored together using the quick pin connection line.

Our new patented athletic response ridge pad provides athletic benefits found in our most high profile permanent floor systems. This lineal pad offers maximum shock absorption with a low profile that is easy to install.

All Connor hardwood flooring products strictly adhere to MFMA (Maple Flooring Manufacturers Association) standards. The MFMA trademark is a guarantee of consistent quality, and sets the industry standards for uniform grading, dimensions and technical specifications. Connor takes quality control a step further by being the only MFMA member to have successfully earned the ISO 9001:2008 Certification. ISO certification is internationally recognized for establishing the standards for quality manufacturing and management. Connor Sport Court is committed to continuously improving the quality of its products, delivery time, and service levels in order to satisfy our customers' expectations as well as applicable regulatory requirements.
