- Redeem-1 incorporates Eidson F6 padding that is cut to size and stapled directly to the existing sleepers.
- Redeem-1 subfloor panels are installed on a 45 degree angle in a shi lap configuration.
- Once fully installed, the profile height is comparable to the original flooring system.

REDEEM SPECIALTY HARDWOOD SYSTEM

Redeem provides the option to install a performance based specialty hardwood system by eliminating the cost to remove and dispose of existing sleepers anchored or clipped into the concrete substrate. Saving time and saving money, Redeem gives a retrofit gymnasium installation improved athletic performance and response.

NOTES:
