REDEEM™ LEGACY
SPECIALTY HARDWOOD SYSTEM

Redeem™ Legacy is an innovative hardwood sports flooring renovation system designed to extend the life of existing gymnasium infrastructure while reducing demolition and installation costs. Engineered to utilize existing floor channels, Redeem™ Legacy incorporates resilient subfloor panels that deliver a renewed foundation for athletic performance. Its streamlined installation process minimizes material removal, reduces renovation complexity, and provides a cost-effective solution for upgrading aging hardwood sports floors.

- **Preserves Existing Infrastructure:** Retains existing floor channels, reducing demolition costs.
- **Simplified Installation:** Overlapping panels reduce labor, waste, and installation time.
- **Resilient Performance:** Integrated resilient pads support athletic performance with a low-profile design.

Manufacturing:
ISO 14001:2015

Recycled Contribution:
Includes components with recycled content

Testing Laboratory:
United States Sports Surfacing Laboratory

Certified Testing:
ISS Scientific Body Membership

Green Status:
Managed Forests, Certification Available
